

RECOMMENDED MAINTENANCE

Tacalert Stainless Steel Studs & Plates

The Tacalert Studs and Plates as supplied by Novaproducts Global is made from stainless steel, thus they can be cleaned with a mild detergent on a damp cloth. Please ensure the detergent is compatible with the surrounding floor surface.

Please note: It is not recommended to saturate the Tactile with the cleaning detergent as this may damage cause to the bond of the tactile and the substrate. Avoid sealers and harsh cleaners as this will alter the slip resistant properties of the stud or plate
